

AJANTA PUBLIC SCHOOL
SECTOR -31, GURGAON

Ref No.: APS/0021/ADM/2016

26/08/16

Dear Parents,

Greetings!!!

Ajanta Public School proudly announces about being identified as **Microsoft Showcase School**. **Microsoft Showcase Schools** are the **change makers in education**. These schools thoughtfully consider the role of technology as they explore new ways to **redesign learning spaces, restructure curriculum, reinvent pedagogy and reimagining**, what 21st century leading and learning looks like across diverse contexts.

The Microsoft Schools have many of the essential components of transformation in place and are working towards the kind of whole school approaches, they see in their Showcase Schools.

We are excited to be a part of this journey in creating an environment of innovation in education using technology.

We understand that there is a lot of excitement and honour around being part of the **Microsoft School or Showcase School Program**. We would like to share the enthusiasm with especially, our Parent community, colleagues, and last but not least, our adorable students.

Regards

Mr. Vaibhav Kapoor

(Principal)
